Special Request for Your Wedding

We are happy to learn a special song for your First Dance, Father-Daughter Dance, etc.

Background Music for Cocktail and/or Dinner Times

We can provide live background music that is perfect for cocktail receptions or as background during a dinner.

The musical styles performed generally include “smooth” jazz, jazz standards and light pop tunes.

Wedding Ceremony Music

A variety of instrumental and vocal options exist... call to discuss the many options available.

Wedding Ceremony PA System

You may want to consider a separate small PA system with wireless lapel microphones placed on the groom and officiate, which makes your vows clearly heard by all of your guests. This same audio signal can go directly to your videographer's camera, so that the entire ceremony is clearly audible on your final video!
